

**GOVERNMENT OF KERALA****Abstract**

Local Self Government Department- Omni Processor technology for the treatment of the sludge accumulated in the Muttathara STP- Technical, financial, and legal aspects of the proposed Omni Processor Project-Committee constituted to study-Orders issued

LOCAL SELF GOVERNMENT(WM)DEPARTMENT

G.O.(Rt)No.2025/2024/LSGD Dated,Thiruvananthapuram, 23-10-2024

Read 1 Letter No. 1927/G/2024/SM dated, 17.08.2024 from the Executive Director,Suchitwa Mission

2 Letter No. 1927/G/2024/SM dated, 08.10.2024 from the Executive Director,Suchitwa Mission

ORDER

The Executive Director,Suchitwa Mission as per the letter read as 1st paper above reported that the Executive Director, Wash Institute has recommended that the Omni Processor technology can be implemented through the funding by Bill and Melinda Gates Foundation (BMGF) for the treatment of the sludge accumulated in the Muttathara STP and the technology licensee Ankur Scientific Pvt. Ltd will execute the project on behalf of BMGF. Suchitwa Mission has sought the assistance of various stakeholders for conducting the technical feasibility of the Omni Processor. Clearance from Airport Authority of India is needed for the installation of the structures like Chimney and WASHi has engaged M/s.Sakthi Aviation Consultant Service (P) Limited, Delhi to support in getting clearance from the Airport Authority of India for the establishment of Omni processor at the Muttathara STP.

In the meeting by the Principal Secretary, LSGD convened to discuss the implementation of the project, it was found that details on technical and financial parameters regarding the subject is required for LSGD to analyse the project and the Suchitwa Mission was informed accordingly.

The Executive Director, Suchitwa Mission,as per the letter read as 2nd

paper above informed that to examine the techno- financial feasibility of the Proposal and report to Government in a time bound manner a Committee is to be constituted.

Government have examined the matter in detail and are pleased to constitute a Committee as below to study the techno-financial feasibility regarding the implementation of the Omni Processor technology for the treatment of the sludge accumulated in the Muttathara STP.
