As per the Government Order, read as 1st paper above, Administrative Sanction was accorded for the establishment of four Regional Sanitary Waste Incineration Facilities in the State, each with a capacity of 20 TPD, at Kottarakkara (Kollam), Moovattupuzha (Ernakulam), Kuttippuram (Malappuram) and Kadannappalli (Kannur), with the objective of bridging the gap in the existing decentralized sanitary waste management system. Each plant is proposed to be set up on land with an extent of 50 cents, to be implemented by the Clean Kerala Company Ltd. (CKCL) under a suitable Public-Private Partnership (PPP) model.

2. Since the execution of the project at Moovattupuzha (Ernakulam) faced difficulties, Government, as per the GO, read as 2nd paper above, directed the Secretary, Kochi Municipal Corporation to set apart 1 acre of land adjacent to the existing incinerator at Brahmapuram, already earmarked in the Master Plan for future development, for establishing the proposed Regional Sanitary Waste
